FOR IMMEDIATE RELEASE

### **New Treasure Valley Business Offers Full-Service Book Publishing Options for Local Authors**

(Boise, 11/24/2009) — Borderline Publishing LLC located at 305 N. Steelhead Way in Boise offers a high-quality book publishing option for local authors at highly affordable pricing.

Borderline Publishing is a short-run book publishing company designed to assist the local authors of Idaho and beyond in getting their treasured works created into their dreams... in print.

Whether your writing style is Christian, fiction, science fiction, non-fiction, fantasy, or romance, Borderline Publishing works diligently to make author's publishing dreams come true.

Borderline Publishing offers personalized customer service with a wide variety of options in order to meet your needs. Starting with services from cover design and print layout, ISBN acquisition, bar code creation, printing, marketing, distribution and fulfillment, we are able to offer whatever the level of service is desired by each individual writer. Borderline Publishing can do this all in house!

#### **About Borderline Publishing LLC**

Borderline Publishing works with everyone from first time writers to established authors. Our goal is to guide and help with each and every step in the publishing process. If you want to get your ideas into the hands of eager readers but do not know where to start, we at Borderline Publishing can help you through the sometimes-muddy waters called publishing.
